Topic: Water Line Replacement Project

A public hearing will be conducted for informing citizens and soliciting public input, written or oral, regarding the Brook Forest Water District Water Line Replacement Project and Project Assessment Needs Form (PNA). The PNA is a report detailing the project needs consisting of replacing 4" water lines with 6" lines, in addition to upgrading the District water tanks to ensure that they comply with State regulations. This report is being submitted to the Colorado Department of Public Health and Environment (CDPHE) to qualify Brook Forest Water District for a State Revolving Fund Loan.

Copies of the Project Needs Assessment Form are available for public review prior to the Public Hearing, via email or mail. Please contact our District Administrator, the point of contact for the Brook Forest Water District, Nickie Holder at 800-544-9903 or by email at brookforestwaterdistrict@gmail.com.
