JANUARY 2021 1ST QUARTER NEWSLETTER

Brook Forest Water District Board of Directors:

The BFWD Board welcomed Mr. Ted Schlaebitz to the Board in October 2020 when he was appointed as a Board member. The current BFWD Board of Directors is listed below:

Bill Weisenborn – Board President
Tony Langowski – Vice President
Bruce Nicklow – Treasurer
Ilse Ramsey – Director
Ted Schlaebitz – Director

Board meetings are always open to the public. They are held the 2nd Tuesday of the month at 7pm and are held via ZOOM video conference, contact the District Administrator for more information.

Wintertime Shut Offs:

If you will be going out of town during the winter months for an extended period (at a minimum one quarter, not more than three quarters), you may request that your water be shut off at the street for non-use. The quarterly fee will be \$60 per quarter, equivalent to our Readiness-to-Serve charge (see Appendix A of the District Rules and Regs on our website). For our System Operator (Dominic) to shut your water off, all bills owing on the property must be paid prior to any shut off and the property owner must pay the District in advance for the turn off and turn on fee, in the amount as stated in Appendix A of the District Rules and Regs – see Section 8.09 B. of the District Rules and Regs for further information.

UPDATE YOUR PERSONAL CONTACT INFO:

Please help us by filing out the Update Sheet that will accompany your 1st Quarter invoice. When a water main breaks and service needs to be shut off to your property, if we DO NOT have your CURRENT information, we CANNOT contact you in advance to let you know. Please complete the information even if you think we do not have your current information phone number and/or email address. Please return with your payment.

Online Bill Payment Option:

There has been a lot of interest by our customers for the District to offer an online bill payment option. With the increase in late payment fees that began July 1, 2015, we began to offer online bill payment through our website approximately August 1, 2015. There will be a \$2.50 convenience fee that the customer will have to incur if you wish to pay online rather than to pay by check. The \$2.50 fee seems a lot less than getting assessed \$20 for late payment of your quarterly invoice.

Please note, you can now set up an account through the online billing service and set your payment to recur on a quarterly/monthly basis and not have to keep logging in every time you want to make a payment.

Please come and join the **FACEBOOK** group so you can stay in the loop with various updates, especially water outages. Our Group:

**BROOK FOREST WATER DISTRICT
SPRINGTIME NEWSLETTER
APRIL 2021**

Springtime is Here!

That means it is time to schedule a test of your stop box with Dominic our System Operator. Please contact him to make an appointment at (303) 674-8194. Below are pictures of the types of meter pits that can be found in the District.

THE TYLER

THE MCDONALD

A Note from Our System Operator Regarding the Curb Boxes & Meter Pits:

These are the three types of curb boxes that have been installed in the District over the years. The Meter Pit is usually buried. The Tyler is sometimes visible or can be buried as well. The McDonald Type is installed protruding above ground and is usually visible unless it has been damaged or buried due to plowing/grading.

Outside Watering – Not Allowed:

With spring here and summertime around the corner, many of you may have outside projects in the works like power washing houses and decks or prepping houses for staining, but please remember outside use of the District water for exterior projects is not permitted. Thanks for your cooperation!

District Website – Come check us out:

Come checkout our District website at www.brookforestwater.org. We post lots of publications that you will find helpful. Our Board minutes, District Rules and Regulations, Operator’s reports, financial statement audits are just a few documents you will find. In addition, on the home page you will find our meeting agenda’s, the current rates and any water shut off announcements. You will find the link to our online bill payment link on our homepage as well.

District Board Meetings:

Board meetings are always open to the public. They are held the 2nd Tuesday of the month at 7pm and are held via ZOOM conference call. Please check our District website for conference information.

FIRE MITIGATION:

Please be aware that Evergreen Fire Rescue has a Slash program that can be found on their website at www.evergreenfirerescue.com. You can find the program on top right side of the homepage, click on “Mitigation/Chipping Program”, the program will start up again in May, but you can start signing up now.

Also consider asking tree removal and fire mitigation services to walk your property to obtain a plan and an estimate to bring your land into a safer condition. It will give you an idea of how an expert views your property and provide you with a plan to tackle all at once or in small steps over time. A journey begins with the first step.

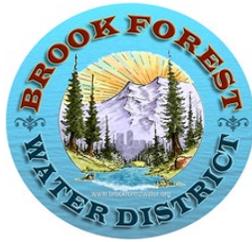

House address numbers are still needed on many of the home in the District. Mainly for EMS services rushing to your home, but also for the fire protection services. Black numbers tacked to a tree offer little help to responding emergency teams. A better solution is high contrast between numbers and background, like black numbers on white tiles at the end of your driveway. The time saved finding you could mean the difference between life and death someday.

We now have a closed group on **Facebook**, please come and join the group so you can stay in the loop with various updates, especially water outages. Our Group:

District Website – Come check us out:

Come checkout our District website at www.brookforestwater.org. We post lots of publications that you will find helpful. Our Board minutes, Operator's reports, financial statement audits are just a few documents you will find. In addition, on the home page you will find our meeting agenda's, the current rates and any water shut off announcements. You will find the link to our online bill payment link on our homepage as well.

Late Fee Reminder:

Please be advised, if a payment is made after the first month a \$20 late fee will be assessed and invoiced. If a quarterly invoice is not paid after an additional 30 days, a \$30 additional fee will be assessed and invoiced. If a payment is 90 days delinquent your water will be shut off and additional fees will be assessed.

Please pay your invoices on time to avoid late fees or a possible water shut off.

Online Bill Payment Option:

There has been a lot of interest by our customers for the district to offer an online bill payment option. With the increase in late payment fees that began July 1, 2015, we began to offer online bill payment through our website approximately August 1, 2015. 4th Quarter Newsletter – October 2021

Snow Will Soon Arrive:

As we get closer to the snowy season here in Colorado, please be sure to clear your stop box from any snow over the next few months as it needs to be accessible to our System Operator in case it needs to be shut off or repaired.

Wintertime Shut Offs:

If you will be going out of town during the winter months for an extended period of time (at a minimum one quarter, not more than three quarters), you may request that your water be shut off at the street for non-use. The quarterly fee will be \$60 per quarter, equivalent to our Readiness-to-Serve charge (see Appendix A of the District Rules and Regs on our website). In order for our System Operator (Dominic) to shut your water off, all bills owing on the property must be paid prior to any shut off and the property owner must pay the District in advance for the turn off and turn on fee, in the amount as stated in Appendix A of the District Rules and Regs – see Section 8.09 B. of the District Rules and Regs for further information.
